Dear Pastor and Praying Church Friends,

In March, our church had a mission's conference. We were able to invite Evangelist Caleb Delgado as our main speaker, and Josh, Alyse, and Bentlee Szwarga, missionaries to New Zealand, as our presenting missionaries. We had a wonderful conference. We were thrilled to see many of our church members getting involved in the conference. We had a record attendance for each of the evening services, and a post-pandemic record for Sunday. The preaching was powerful, the spirit was uplifting, and the mission's commitments were the most we have had. We had 26 commitment cards turned in. We have already seen the missions giving increase greatly. Praise the Lord for his obvious hand through the whole conference!

Our attendance has continued to increase. We have struggled for a while with enough parking for the church. We have overflowed our parking lot and our neighbors' parking lots. We had church members walking almost a quarter of a mile to be able to park and come to church. We had been praying about it and searching for what we could do. Across the street from the church is a closed funeral home. It has been for sale for years. It has a huge parking lot but is gated. The owner came by the church out of the blue and told us that he believes in our church and gave us a key to be able to use the parking lot whenever we need. This has been a HUGE blessing to us. We are excited to see how the church will continue to grow.

We celebrated Resurrection Sunday with a wonderful sunrise service in our church. We were blessed with a good group of people and a sweet service of celebration.

We are going to be taking a brief trip to the states for Bernadette's sister's college graduation. We are also taking the time to visit some of our supporting churches. Several of the men in our church have stepped up to preach and take care of the church while we are away. It has been a blessing to watch them grow in the Lord. Please pray for the trip, and for our church while we are away.

Please continue to pray for Bernadette's diabetes supplies. We have been denied by insurance and are trying to move forward with help from some of her doctors directly. God has provided in miraculous ways, and we are depending on Him to continue supplying this equipment.

Thank you for your faithfulness toward us. We have had several people reach out to us to be a blessing to our family. We cannot tell you how much we appreciate you.

In Christ,
 Jerrod, Bernadette, and Jack Montgomery
