Dear Pastor and Praying Friends,

I hope you have had a wonderful holiday season. It is hard to believe it is already the end of January. Time has been flying by as we have stayed very busy.

We had a 50<sup>th</sup> wedding celebration for a couple in our church. It was a wonderful time. They had family from all over Puerto Rico and the US join us.

Over the month of December, God has blessed us with several visitors. We had visiting family members, as well as people from the neighborhood stop in to see the church. People are still surprised to see that our church is open through this time.

In December, Bernadette tripped and sprained her ankle. She was in a cast and then in a brace through Christmas. She is doing better now and is walking without crutches.

This week we were able to celebrate the 103<sup>rd</sup> birthday of one of the founding members of our church. We had a wonderful time and a sweet birthday party for her.

Please pray for Bernadette's health as she has had several complications with her diabetes. Her sugar levels have not been staying level, including several very dangerous low blood sugar incidents. Also, her insurance company has been denying payment for some of the medical equipment that is vital for her. Please pray that our ongoing issues with her insurance will be resolved.

Please pray for our annual Missions Conference that is coming up in March. We hope to have some friends come from the US to preach and present their ministry. Covid restrictions are still making it difficult. Please pray for wisdom.

Thank you for your faithfulness in praying and giving. We are thrilled to be in God's service.

In Christ,

Jerrod, Bernadette, and Jack Montgomery
